Jama Lewis Named Miss Elba Of 1978

Jama Lewis, daughter of Mr. and Mrs. J. C. Lewis, was crowned Miss Elba for 1978 in activities last Thursday night. She was selected from a field of thirty-four lovely young ladies.

Beverly Hargrove, daughter of Mr. and Mrs. Leonard Hargrove, second runner-up was Katrina Hayes, daughter of Mr. and Mrs. Charles Hayes III.

Miss Lewis will represent Elba in the National Peanut Festival pageant next fall. The event is held annually in Dothan, Alabama.

Other contestants in the event were: Elaine Grimes, Rhonda Knight, Kathy Brooks, Anita Mobley, Lyndi Smart, Melanie Scarborough, Lynn Whitehurst, Teresa Hines, Doris Hall, Villa Owens, Brenda Lucas, Lynne Norman, Lisa Westbrook, Cindy Jacobs, Cindy Allen, Lori Jones, Susie Bruce, Diane Edwards, Jamie Johnson, Susi Brunson, Diane Johnson, Lisha Rushing, Toni Dubisar, Jennifer Ennis, Shann Parker, Phyllis Kelley, Lisa Gallimore, Terri Davis, Cindi Creel, Theresa Wambles, Traci Daniels.

Miss Beverly Hargrove, Miss Jama Lewis and Miss Katrina Hayes

Combined Grand Juries Recommend New Brockton Courthouse

An unprecedented combined Elba-Enterprise Grand Jury voted Tuesday to support petitions for the consolidation of the Elba courthouse and the Enterprise annex into a single facility in the City of New

Brockton. They instructed the District Attorney to prepare the proper petitions and to distribute them for the necessary 51% voters signatures. The Grand Jury members voted 23 in favor,

one against and one member abstaining on the entire report. Unofficial reports indicate that the one opposed was an Enterprise man who stated he would vote for nothing but a new courthouse in Enterprise;

a woman member abstained and a male member of the Elba Grand Jury didn't like the idea but agreed for them to try it if they wanted to do so. Copies of the petition will be forwarded to each member

of the Coffee County Democratic Executive Committee and the Coffee County Republican Executive Committee, with request that the committee members circulate the petitions in their district for signing. The

Grand Jury also requested that "any interested citizens, civic clubs, religious organizations, 4-H clubs, home demonstration clubs and any other interested groups contact either of the Grand Jury foremen (B. Z.

Reynolds and Charles Mallory) or the office of the District Attorney to obtain the petition form for signing. They also urged the "registered voters of this county to join us in attempting to better our county's government and service to the taxpayers of this county."

The grand jury report also noted that the combined jury was made up of citizens from every part of the county, including citizens from Enterprise and Elba. They recommended that the "petition signing should go forward with all due speed and should be completed in, hopefully, from 60 to 90 days."

Commissioners Award Construction Bid, Routine Business

The Coffee County Commission met in regular session on Monday, May 22, at the courthouse in Enterprise, and voted unanimously to accept a bid of \$5990 from Winston Jones for the construction of a voting house in Beat 19 (Pine Level). Jones, from Ops, was the low bidder, and will begin construction immediately.

The bi-monthly meeting began at 10:00 a.m. with all members present. Present were Probate Judge James L. Sawyer, Commissioner Clark Brunese, Winston and Commissioners Gilmer Grant, Jack Hornsby, Rex Boutwell, Don Smith, Max J. Reeves and Bettie Beckham.

The first order of business was to open bids on discounts offered to the county on parts for the Highway Department. Jeffcoat Equipment Company of Dothan, bid a 10% discount on John Deere Parts, while Motor Auto Parts of Enterprise, bid various discounts on each specific item. The commission failed to award a contract.

Only two bids were received on the building of a voting house in Beat 19 (Pine Level). Elba Construction Company bid \$6500, and Winston Jones bid \$5990. Jones was awarded the contract.

Mr. Frank Moore of Solid Waste Enterprises, addressed the commission about dumping at the landfill. Moore stated that sometimes he doesn't have a full load of garbage, but that he is charged the full \$11 fee. Moore asked about the possi-

bility of paying 40¢ per customer (the fee charged to citizens) instead of by the truckload. The commission discussed the matter with Landfill Manager Buck Tindol, and decided to leave the policy as is. Moore also told the commission there was another contractor picking up garbage in the county, and reminded the commission he had an exclusive contract to pick up commercial garbage.

County Engineer Leslie Mullins answered by saying, "If the contractor's equipment passes Health Department regulations, it is okay." Moore disagreed, and stated, "The agreement you gave me stated that no one else in the county could pick up commercial garbage. I bid on the exclusive right and was awarded it!"

County Attorney Warren Rowe told the commission that Moore's contract was with the county and not the public. "You can't cite anyone pay Mr. Moore to pick up their garbage," said Rowe. Rowe told the commission to stay out of the matter and expressed the opinion that the garbage pick-up protested by Moore was legal.

Probate Judge James L. Sawyer read a letter to the commission from 4-H leader Sandy Coffey asking if the 4-H bus (donated by the commission) could be used to transport New Hope Junior High students to Montgomery for a field trip. Mrs. Coffey sent an insurance policy which would cover accidents. The commissioners discussed the trip, but then were told the trip had already taken place. The com-

mission feared legal action if a wreck occurred when the bus is in use, and after meeting with the county attorney, decided to give the 4-H club complete title to the bus and agreed the bus would no longer be county property.

The commission approved three loan requests, including two of local interest. The projects are (1) Expansion of Damascus Water System - \$480,000, (2) Expansion of Goodman Water System - \$124,000, and (3) Area Development Assistance Project - \$68,000. The loan applications will now be forwarded to the state offices.

Engineer Leslie Mullins reported landslides on the shoulders of the road known as Weeks Bridge Road would be fixed at a total cost of \$24,000 (100% state funds). Mullins stated a landowner near the road would not deed additional land needed in the repairs, and asked the commissioners to meet with the landowner.

In other action at Monday's meeting, the commission: ***agreed to purchase a \$126 ad in a local newspaper in an upcoming special edition, ***was presented a copy of a recent Attorney General's ruling stating that it is illegal to work on private driveways (ruling came upon the request of St. Clair County), ***was told larger garbage containers were needed at the Farm Center Complex, ***were told L. M. Burch had offered \$1000 for an old garbage truck at the landfill. The

commission instructed Judge Sawyer to check on the exact value of the truck. ***was told only minimal savings could be realized from a cutback of lights at the Farm Center. The estimated saving of \$15 was reported following an Alabama Power Company survey, ***instructed Judge Sawyer to send a letter to the new custodian at the Farm Center complex expressing displeasure with the job being done, ***told Mrs. Winston not to remove the electric meters at the voting houses, ***approved a request to send a letter to Pensions and Security Director Ron Smith commending him for hard work done during the state take-over

Continued on Page 2

Dr. Wallace Miller of Enterprise today announced that he is seeking the Democratic nomination for State Senator of the 25th senatorial district. The 25th district is composed of Covington, Geneva, most of Coffee and part of Houston Counties.

In announcing his candidacy, Miller said he wanted to thank the citizens of the 25th district for letting him serve them as their senator for 17 months. Too, Miller wishes to thank the voters for giving him an overwhelming vote of confidence in the November '76 general election, and he hopes to see as many of the voters as possible between now and the election. As the campaign progresses, Dr. Miller will address himself to some of the issues that are facing the citizens.

Two members of the Planning and Zoning Board had not been contacted about accepting another term, and City Clerk Jack Prescott noted they would be the Board members until reappointed or another appointment was made. The council tabled this action until the members could be contacted.

A discussion on getting more coordination of workers on jobs failed to bring about any concrete changes in the system.

Dr. Wallace Miller of Enterprise today announced that he is seeking the Democratic nomination for State Senator of the 25th senatorial district.

Snakes Invading Residential Area, Council Told Tuesday Night

Snakes in Brookdale yards during the past week are what prompted two citizens of the subdivision to appear before the Elba City Council asking for relief of the drainage problem.

Bobby King and Merrill Shirley, both of whom live in the area, asked the city council to assist them in getting the water drained from the area to prevent flooding of yards and the influx of snakes

endangering their children. King reported three poisonous snakes were killed in the area that day.

Mayor Folsom said if the residents would give easements, city crews would clean the ditch draining through the area. King said he couldn't speak for everyone, but he believed all the residents would be willing to cooperate. King then asked, "How far

are we from this now?" and no clear answer was ever given. Councilmen Jimmy Wise and Cleo Hawkins both noted they had talked with representatives of the State Highway Department about water coming across the road and causing the Brookdale residents trouble. Their information differed somewhat from information Folsom said he had gotten from the same people. However Folsom said he would get back with highway department officials and as soon as the easements are received, the work will begin.

Shirley volunteered to check and see if subdivision plats already carried the easements and if not, to assist in securing them from residents.

Mrs. Francis Trammel reported on the progress of the Community Development project, and the application for \$500,000 grant to improve drainage in Mulberry Heights.

Mayor Folsom read a list of things needing to be done at the river pool before it could open, and asked the council if city workers should do this or the person managing the pool for the summer.

The councilmen asked for information concerning the

daily work of the four adult males currently employed by the recreation department and after some discussion decided they should do this work.

J. Doug Kendrick was reappointed to the Elba School Board. His term was to expire on June 1st.

Two members of the Planning and Zoning Board had not been contacted about accepting another term, and City Clerk Jack Prescott noted they would be the Board members until reappointed or another appointment was made. The council tabled this action until the members could be contacted.

A discussion on getting more coordination of workers on jobs failed to bring about any concrete changes in the system.

POOR ORIGINAL

BRAINSTORMS

With Ferrin Cox

Several days ago we heard a story of a fisherman just jumping into a pond and coming up with a big-bell catfish in his bare hands. He wouldn't pose for a picture or admit the story for the record, but he did admit to having a big catfish in his chest that didn't have a sign of a hook mark anywhere in his mouth or anywhere else. (The discussion included mention of Ronnie Nicholson catching the wild turkey.)

Senator Crum Foshee is reaching a decision-making time right away. Should he or shouldn't he run for re-election to his Alabama Senate seat? He may run or may concentrate his energy on helping Lt. Gov. Jere Beasley step up with hopes of favored status with the new governor. Also, never far from his thoughts surely must be the possibility (or threat) of another trial on the check-kiting charges. We asked Foshee about all this some weeks ago, but about the only comment he had was "I don't know yet."

Now the Grand Jury of Elba and Enterprise divisions have decided they want a petition circulated to vote on one court-house in New Brockton. Well, the county can spend no tax funds circulating this petition, and the Democratic Executive Committee has already told the County Commission what to do with a similar situation. The question is, "Who is going to get people to sign this one?" My opinion is that it will splutter a week or so and just disappear.

City officials have been in contact with representatives of the Alabama Development Office recently. The purpose was industrial growth of the community. This is all good but any of the experts on community improvement of any sort will tell us that the most important factor is PUBLIC ATTITUDE. If the vast majority is thinking positively about the community and letting this show, then outsiders will be impressed. If soreheads sit and bad-mouth the community, others pick up the attitude and soon visitors can feel the deadness in the community. This means it is up to us to decide the direction we go. If we think positively, we can move forward. If we live in the dream world that we want it like it has always been, then we will be backing up, because there is no longer anything still. We have no time for those, especially business people, who don't encourage progress, usually because they are afraid their own leaky boat will sink!

We heard several very favorable comments on the beauties at the Miss Elba contest last week. Several men, EHS students of years past, agreed that girls are just prettier than they were in the old days. Looking at the beauties on the stage, one man, a parent of a contestant said, "My gosh, they are all pretty!" Well, we do editor agrees.

We were asked this week for the reasons for not writing about Mayor Bob Folsom in a couple of weeks. Well, he was out of town for several days and then we sometimes just look the other way to keep from arguing with Bob. Sometimes I think Bob would rather argue with us than eat when he is hungry. But, for good measure, we note the calling out of a man for overtime just to get some sand from around a fire plug. "It had been there for some time and our councilmen have been complaining about overtime, but to no avail. The matter was not worthy of time and a half overtime in our opinion. Bob said he got a complaint, but the man he said he thought it was happened to be out of town. So much for that. Now, we can go on about our business just as the mayor will surely do also.

AUCTION

SAT. JUNE 3 - 10 A.M.

HWY 84 - NEW BROCKTON, AL.
Due to the death of Mr. Jack Hyde, H & K EQUIPMENT CO. we will liquidate at auction TRUCKS - TRACTORS - DOZERS - LOW BOYS FARM EQUIPMENT - EQUIPMENT TRAILERS TOOLS - EQUIPMENT. ETC.

Deaths

PEARLIE MAE STEWART

Mrs. Pearl Mae Stewart, age 63, of Rt. 2, Elba, died May 22, 1978.

Funeral services were held May 23, 1978, at 2:00 p.m. at the Elba Baptist Church, with Rev. Charles Sunday officiating. Burial was in the Evergreen Cemetery, with Hayes directing.

Survivors include her husband, James Clinton Stewart, of Elba; one son - Rex Stewart, Montgomery; one daughter, Mrs. Linda Hudson, Montgomery; three sisters - Mrs. Vassie Shill, Columbus, Ga.; Mrs. Inez Stone, Elba; Mrs. Jess Leebert, Montgomery; two brothers - Mr. Grady Grantham, and Mr. R.C. Grantham, both of Elba; six grandchildren.

T. O. AOKSON

Mrs. T. O. Aokson, 65, of Rt. 1, Enterprise, died May 22, 1978, at his home in the Goodman Community.

Services were held on May 23, 1978, at 2:00 p.m. at the Goodman Baptist Church, with Rev. Alfred Reid and Randall Pearson officiating. Burial was in the church cemetery, with Seay's Funeral Home directing.

Survivors include his wife, Mrs. Elsie Aokson of Rt. 1, Enterprise; four daughters: Mrs. Talmadge McIntosh, Mrs. Harold Grimes and Mrs. Roy Mitchell, all of Chancellors, and Mrs. Sam Wilson of New Brockton, New York, and Simpson J. Anderson of Key Largo, Florida; a stepmother, Leah Stinson of Chicago; fifteen grandchildren, seven great grandchildren.

MR. L.F. (LEWIE) JONES

Funeral services for Mr. L.F. (Lewie) Jones age 78 of New Brockton, Al. who died May 17, 1978 in an Enterprise hospital were held Friday, May 19, 1978 at 2:00 p.m. from the New Brockton First Baptist Church with Rev. David Richburg and Dr. B.R. Justice officiating. Burial was in New Brockton City Cemetery with Seay's Funeral Home directing.

Survivors include: His wife, Mrs. Jessie B. Jones of New Brockton, 1 daughter - Madge J. Semmes of Wehatch, Fla.; 6 sisters; Mrs. Minnie Brooks of New Brockton, Mrs. Jessie Heath of Birmingham, Mrs. Erle Wise of New Brockton, Mrs. Ruth Rowe of New Brockton, Mrs. Mary Alice Wise of Elba; 1 brother Mr. John L. Jones of New Brockton; 3 grandchildren and 3 great-grandchildren.

LEWY POWELL MORROW JR.

Levy Powell Morrow Jr., Col., U.S. Air Force (Ret.), 49, of 2355 Michigan Ave., died Saturday, May 13 at a hospital.

Col. Morrow was a native of Alabama and a veteran of the Korean and Vietnam conflicts.

Survivors include his wife, Doris T. Morrow of Pensacola; a daughter, Dixie Morrow of Gainesville; a son, Levy P. Morrow III of Elba, Ala.; his mother, Mary S. Morrow of Elba; two brothers, John Morrow of Mobile, Ala., and Joe Morrow of Knoxville, Tenn.; and a sister, Sue Terrell of Jacksonville.

Funeral services were held Tuesday at 10 a.m. at the Faith Chapel Funeral Home chapel with an Air Force Chaplain officiating.

Burial was in the Barrancas National Cemetery with full military honors. Faith Chapel Funeral Home directed.

Palbearers were the Air Force personnel.

Memorials were made to the American Cancer Society in lieu of flowers.

ELBA JURY

Critical Of Courthouse

The Elba Grand Jury met Monday with Charles Mallory as foreman. A resolution congratulating Lewey Stephens, Jr., upon his retirement as District Attorney from the Twelfth Judicial Circuit was signed by all eighteen members of the Grand Jury. It was made a part of the official Grand Jury report, copies furnished to Stephens and to his wife, Gayle. The Enterprise Grand Jury had commended Stephens in their report last week.

The Grand Jury examined 39 presentments and returned indictments in twenty-eight felonies.

An inspection of the county buildings turned up a number of problems in the Elba courthouse and the county jail. Shortage of room in the courthouses, need for a public address system in the courtroom and repair to the restrooms led the Grand jury into a statement that "a number of conditions in the courthouse that we believe present a hazardous or unsafe condition to the people who work in said building, as well as to the general public visiting the building." These included falling plaster, deteriorated walls and floors falling in on the second floor.

The jail is in a poor state of repair, according to the Grand Jury report, and needs extensive work. The report listed nine major areas that need attention in the jail. These included falling plaster, deteriorated walls and floors falling in on the second floor.

The jail is in a poor state of repair, according to the Grand Jury report, and needs extensive work. The report listed nine major areas that need attention in the jail. These included falling plaster, deteriorated walls and floors falling in on the second floor.

BLACK AND GOLD REVIEW

On May 10, 1978, the members of the Elba High School Chapter of the Future Business Leaders of America traveled to Enterprise State Junior College to tour the campus. They were given an overall view of the campus by special tour guides; sheets and booklets concerning the college were given to the members. One of the highlights of the tour was the Career Development Center, which houses information concerning various occupations that one might be interested in.

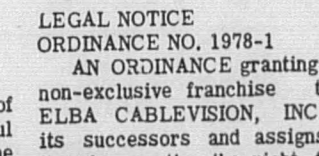

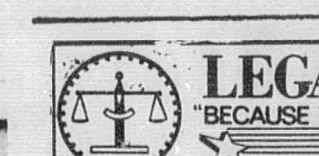

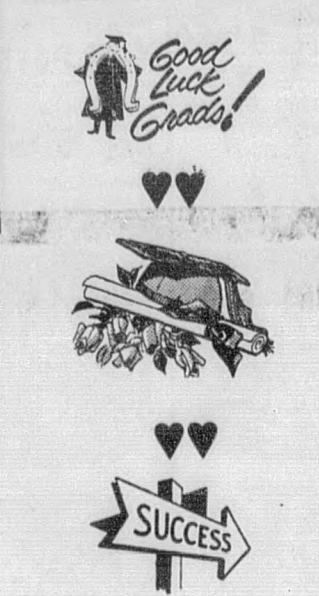

This turned out to be a

very enjoyable as well as a beneficial trip for those attending.

Members who participated in the tour were: Beatrice Belcher, Myra Benson, Sue Bruce, Casey Corley, Malinda Farris, Joyce Grimes, Jan Hudson, Malinda Hutchison, Stephanie Johns, Renee McKinnon, Virginia Motin, Jackie Morland, Tammy Padgett, Jan Weeks. Other participants from Mrs. Clark's Business and Office Education class were Jennifer Bimbo, Janet Boswell, Donna Brown, Betty Brunson, Dixie Cagney, Teresa Hodge, Carol Holt, Lynn Owens, Rhonda Pope, Pam Smith, Denise Sykes.

Junior Beta Club Meets

First, Mr. Wigham introduced our guest speaker, Mr. C.M. Eilenburg. He told some amusing jokes and gave us some helpful advice. He had some albums which he was selling. Next, our President, Fleming Kendrick announced that we were having a "cock-out" at the County Pond. Reporter, Dennis Pope.

Mu Alpha Theta Holds Last Meeting

The last meeting for Mu Alpha Theta for the year 77-78 was held in Mr. Adkins' room on May 15, 1978.

Project Chairman, Chuck Mack, told the club what the project was for the year, which is picture frames, engraving done on the Outstanding Math Students plaque, Senior Pins, and a folding table for Mrs. Adkins' room.

The club then elected officers for 78-79. They are as follows: Marie Jones - President, Andy Bullard - Vice President, Sheila Harrison - Secretary, Terri Davis - Historian.

Mrs. Adkins then presented the Seniors with their pins. Afterwards, delicious refreshments were served.

LEGAL NOTICES

ORDINANCE NO. 1978-1

AN ORDINANCE granting a non-exclusive franchise to ELBA CABLEVISION, INC., its successors and assigns, thereby granting the right to erect, operate and maintain, in, under, over, along, across, and upon the streets, lanes, avenues, sidewalks, alleys, bridges and other public places in the City of ELBA, ALABAMA, and subsequent additions thereto, a cable television system for the purposes of transmission and distribution by cable of television signals to enable sale of its community antenna television service to the inhabitants of the city of ELBA, and other purposes, and regulating the same; setting forth other conditions accompanying the grant of franchise; and providing penalties for violation of the franchise provisions.

Be It Ordained By The City Council of the City of Elba, Alabama, as follows:

Section 1. Short Title. This ordinance shall be known and may be cited as the "Elba Community Antenna Television Ordinance of 1978."

Section 2. Grant of Authority. In consideration of the faithful performance and observance of the conditions and covenants hereinafter specified, the right is hereby granted to Elba Cablevision, Inc., a corporation organized under the laws of the State of Ala-

(a) "City" is the City of Elba.

(b) "Governing Body" is the governing body of the city of Elba.

(c) "Community Antenna Television System" hereinafter referred to as "CATV" or "CATV system" means a system of coaxial cables or other electronic conductors and equipment used to be used primarily to receive television or radio signals directly or indirectly off-the-air for private television or radio signals and programming and transmit them to subscribers for a fee.

(d) "Person" is any person, firm, partnership, association, corporation, company or organization of any kind.

(e) "Grantee" is Elba Cablevision, Inc., a corporation organized under the laws of the State of Alabama.

(f) "Gross Subscriber Revenues" are the gross revenues of the grantee, including all forms of consideration and any initial lump sum payments, derived hereinafter set forth shall not be exclusive, and the City reserves the right to grant a similar use of said revenues, to any person at any time. This franchise shall not be construed to create any right beyond the terms, conditions and periods of the franchise.

(g) "Liability and Indemnification." The grantee shall pay and be its acceptance of this franchise, the grantee shall pay all damages and penalties which the city may legally be required to pay as a result of damages arising out of the installation, operation, or maintenance of the CATV system authorized hereunder, whether or not any act or omission complained of is authorized, allowed, or prohibited by this franchise.

(h) The grantee shall pay and by its acceptance of this franchise agrees that it will maintain through out the term of this franchise liability insurance insuring the city and the grantee with regard to all damages mentioned in subsection (g) above in the minimum amount of:

(1) One Hundred Fifty Thousand Dollars (\$150,000.00) for injury to one person in one occurrence.

(2) Three Hundred Thousand Dollars (\$300,000.00) for property damage in one occurrence.

(3) One Hundred Thousand Dollars (\$100,000.00) for property damage in one occurrence.

(4) The grantee shall maintain, and by its acceptance of this franchise agrees that it will maintain through out the term of this franchise liability insurance insuring the city and the grantee with regard to all damages mentioned in subsection (g) above in the minimum amount of:

(1) One Hundred Fifty Thousand Dollars (\$150,000.00) for injury to one person in one occurrence.

(2) Three Hundred Thousand Dollars (\$300,000.00) for property damage in one occurrence.

(3) One Hundred Thousand Dollars (\$100,000.00) for property damage in one occurrence.

(4) The grantee shall maintain, and by its acceptance of this franchise agrees that it will maintain through out the term of this franchise liability insurance insuring the city and the grantee with regard to all damages mentioned in subsection (g) above in the minimum amount of:

(1) One Hundred Fifty Thousand Dollars (\$150,000.00) for injury to one person in one occurrence.

(2) Three Hundred Thousand Dollars (\$300,000.00) for property damage in one occurrence.

(3) One Hundred Thousand Dollars (\$100,000.00) for property damage in one occurrence.

(4) The grantee shall maintain, and by its acceptance of this franchise agrees that it will maintain through out the term of this franchise liability insurance insuring the city and the grantee with regard to all damages mentioned in subsection (g) above in the minimum amount of:

(1) One Hundred Fifty Thousand Dollars (\$150,000.00) for injury to one person in one occurrence.

grantee shall be capable of distributing color signals, and when the signals the grantee distributes are received in color, they shall be distributed in color where technically feasible.

Section 7. Signal Quality Requirements. The grantee shall:

(a) Produce a picture, whether in black and white or in color, that is undistorted, free from ghost images, and accompanied with proper sound on typical standard production TV sets in good repair;

(b) Transmit signals of adequate strength to produce good pictures with good sound at all outlets without causing cross-modulation in the cables, or interfering with other electrical systems;

(c) Limit failures to a minimum by locating and correcting malfunctions promptly;

(d) Demonstrate by instruments and other means that a signal of adequate strength and quality is being delivered;

(e) The grantee shall render prompt service, make repairs promptly, and interrupt service only for good cause and for the shortest time practicable, and shall promptly make repairs insofar as practicable shall be preceded by notice and shall occur during periods of minimum use of the system.

The right to use and occupy said streets, alleys, public ways and places for the purposes herein set forth shall not be exclusive, and the City reserves the right to grant a similar use of said revenues, to any person at any time. This franchise shall not be construed to create any right beyond the terms, conditions and periods of the franchise.

(f) "Liability and Indemnification." The grantee shall pay and be its acceptance of this franchise, the grantee shall pay all damages and penalties which the city may legally be required to pay as a result of damages arising out of the installation, operation, or maintenance of the CATV system authorized hereunder, whether or not any act or omission complained of is authorized, allowed, or prohibited by this franchise.

(g) The grantee shall pay and by its acceptance of this franchise agrees that it will maintain through out the term of this franchise liability insurance insuring the city and the grantee with regard to all damages mentioned in subsection (f) above in the minimum amount of:

(1) One Hundred Fifty Thousand Dollars (\$150,000.00) for injury to one person in one occurrence.

(2) Three Hundred Thousand Dollars (\$300,000.00) for property damage in one occurrence.

(3) One Hundred Thousand Dollars (\$100,000.00) for property damage in one occurrence.

(4) The grantee shall maintain, and by its acceptance of this franchise agrees that it will maintain through out the term of this franchise liability insurance insuring the city and the grantee with regard to all damages mentioned in subsection (f) above in the minimum amount of:

(1) One Hundred Fifty Thousand Dollars (\$150,000.00) for injury to one person in one occurrence.

(2) Three Hundred Thousand Dollars (\$300,000.00) for property damage in one occurrence.

(3) One Hundred Thousand Dollars (\$100,000.00) for property damage in one occurrence.

(4) The grantee shall maintain, and by its acceptance of this franchise agrees that it will maintain through out the term of this franchise liability insurance insuring the city and the grantee with regard to all damages mentioned in subsection (f) above in the minimum amount of:

(1) One Hundred Fifty Thousand Dollars (\$150,000.00) for injury to one person in one occurrence.

(2) Three Hundred Thousand Dollars (\$300,000.00) for property damage in one occurrence.

(3) One Hundred Thousand Dollars (\$100,000.00) for property damage in one occurrence.

(4) The grantee shall maintain, and by its acceptance of this franchise agrees that it will maintain through out the term of this franchise liability insurance insuring the city and the grantee with regard to all damages mentioned in subsection (f) above in the minimum amount of:

(1) One Hundred Fifty Thousand Dollars (\$150,000.00) for injury to one person in one occurrence.

oids and devices for preventing failures and accidents which are likely to cause damage, injury, or nuisances to the public.

(b) The grantee shall install and maintain its wires, cables, fixtures, and other equipment in accordance with the requirements of the National Electric Safety Code promulgated by the National Bureau of Standards and the National Electrical Contractors Association.

(c) The grantee shall, from time to time, be amended, and in such manner that they will not interfere with any installation of the city or of a public utility serving the city.

(d) All structures and all lines, equipment, and connections, over, under, and upon the streets, sidewalks, alleys and public ways or places of the city, wherever located, shall be safe, adequate, and in good repair, and shall be maintained in a safe, suitable, substantial condition, and shall be kept in such condition.

(e) The grantee shall maintain a force of employees at all times sufficient to provide prompt service, make repairs promptly, and interrupt service only for good cause and for the shortest time practicable, and shall promptly make repairs insofar as practicable shall be preceded by notice and shall occur during periods of minimum use of the system.

(f) "Liability and Indemnification." The grantee shall pay and be its acceptance of this franchise, the grantee shall pay all damages and penalties which the city may legally be required to pay as a result of damages arising out of the installation, operation, or maintenance of the CATV system authorized hereunder, whether or not any act or omission complained of is authorized, allowed, or prohibited by this franchise.

(g) The grantee shall pay and by its acceptance of this franchise agrees that it will maintain through out the term of this franchise liability insurance insuring the city and the grantee with regard to all damages mentioned in subsection (f) above in the minimum amount of:

(1) One Hundred Fifty Thousand Dollars (\$150,000.00) for injury to one person in one occurrence.

(2) Three Hundred Thousand Dollars (\$300,000.00) for property damage in one occurrence.

(3) One Hundred Thousand Dollars (\$100,000.00) for property damage in one occurrence.

(4) The grantee shall maintain, and by its acceptance of this franchise agrees that it will maintain through out the term of this franchise liability insurance insuring the city and the grantee with regard to all damages mentioned in subsection (f) above in the minimum amount of:

(1) One Hundred Fifty Thousand Dollars (\$150,000.00) for injury to one person in one occurrence.

(2) Three Hundred Thousand Dollars (\$300,000.00) for property damage in one occurrence.

(3) One Hundred Thousand Dollars (\$100,000.00) for property damage in one occurrence.

(4) The grantee shall maintain, and by its acceptance of this franchise agrees that it will maintain through out the term of this franchise liability insurance insuring the city and the grantee with regard to all damages mentioned in subsection (f) above in the minimum amount of:

the authority to trim trees upon and overhanging streets, alleys, sidewalks, and public ways and places of the city or to prevent the branches of such trees from coming in contact with the wires and cables of the grantee.

(b) In all sections of the city where the cables, wires, or other like facilities of public utilities are placed underground, the grantee shall place its cables, wires, or other like facilities underground to the maximum extent that existing technology reasonably permits the grantee to do so.

(c) Where poles or other wire-holding structures shall be erected by the grantee without prior approval of the governing body with regard to location, height, type and other pertinent aspects of the structure, such poles and structures shall be removed or modified by the grantee at its own expense whenever the governing body determines that the public convenience will be enhanced thereby.

(d) Where poles or other wire-holding structures already existing for use in service by the grantee, but it does not make arrangements for such use, the governing body may require the grantee to use such poles and structures for such use.

(e) Upon termination of service by the grantee, the grantee shall promptly remove all its facilities and equipment from the premises of such subscriber upon its request.

(f) Section 20. Filings and Communications With Regulatory Agencies. Copies of all petitions, applications and communications submitted by the grantee to the Federal Communications Commission, Securities and Exchange Commission, or any other federal or state regulatory commission or agency having jurisdiction in respect to any matters authorized pursuant to this franchise, shall be made available to the governing body upon request.

(g) Section 21. City Rights in Franchise. (a) The right is hereby reserved to the City of Elba, Alabama, to add, amend, or delete the provisions contained herein and in existing applicable laws, rules, regulations, and ordinances, which shall be subject to the approval of the City Council.

(b) The city shall have the right to inspect the books, records, maps, plans, income tax returns, and other like materials of the grantee at any time during normal business hours.

(c) The city shall have the right to supervise the construction or installation work performed subject to the provisions of any existing or future franchise and make such inspections as it shall find necessary to insure compliance with the terms of this franchise and other pertinent provisions of law.

(d) At the expiration of the term for which this franchise is granted as provided for herein, the city shall have the right to require the grantee to remove at its own expense all portions of the CATV system from all public ways within the city.

(e) The grantee shall provide service to public school locations and teaching stations within the city for educational purposes upon request by the city and at no cost to it or to the public school system. The grantee may at its election provide similar services without cost to private schools, including parochial or other religious schools.

(f) Section 12. Emergency Use of Facilities. In the case of any emergency or disaster, the grantee shall, upon request of the governing body, make available its facilities to the city for emergency use during the emergency or disaster period.

(g) Section 13. Other Business Activities. (a) The grantee shall not engage in the business of selling, repairing, or installing television receivers, radio receivers, or accessories for such receivers within the city during the term of this franchise.

(b) The grantee shall not engage in the business of selling, repairing, or installing television receivers, radio receivers, or accessories for such receivers within the city during the term of this franchise.

(c) The grantee shall not engage in the business of selling, repairing, or installing television receivers, radio receivers, or accessories for such receivers within the city during the term of this franchise.

(d) The grantee shall not engage in the business of selling, repairing, or installing television receivers, radio receivers, or accessories for such receivers within the city during the term of this franchise.

(e) The grantee shall not engage in the business of selling, repairing, or installing television receivers, radio receivers, or accessories for such receivers within the city during the term of this franchise.

(f) The grantee shall not engage in the business of selling, repairing, or installing television receivers, radio receivers, or accessories for such receivers within the city during the term of this franchise.

(g) The grantee shall not engage in the business of selling, repairing, or installing television receivers, radio receivers, or accessories for such receivers within the city during the term of this franchise.

(h) The grantee shall not engage in the business of selling, repairing, or installing television receivers, radio receivers, or accessories for such receivers within the city during the term of this franchise.

(i) The grantee shall not engage in the business of selling, repairing, or installing television receivers, radio receivers, or accessories for such receivers within the city during the term of this franchise.

(j) The grantee shall not engage in the business of selling, repairing, or installing television receivers, radio receivers, or accessories for such receivers within the city during the term of this franchise.

Book Reports

Can Be Fun !!!!

Mrs. Lowery's 9th Grade English Class discovered what it was like to be script writers, directors, and actors when they recently wrote and dramatized scenes from their book reports. One outstanding dramatization was Larry McWaters' production of "The Count of Monte Cristo." Acting in his scenes were: William Davis, Kenneth Campbell, Danny Turner, Mickey Nelson, Andy Cape, Larry McWaters, and narrator Vickie Ellison.

WHAT IF ???

Teresa Baggett became a famous pitcher. Floyd Wheeler grew two more feet and became a famous basketball player. Brenda Bedsole had twins after she was pregnant for at least 100 pounds. Cindy Bales didn't go into the art room and try to pick up wet paint that was squeezed out on paper. Brenda Walker was kin to Nancy Walker. Ray Von Boyd didn't know how to play football and basketball. Raynell Tompkins didn't have as many buttons to put on her jacket. Rocky Bragg became another John Travolta. Deborah Simmons decided she didn't want to get married. Jennice Brooks had a perfect attendance. David Brown's eyes didn't sparkle for that special girl. Gail Richardson decided to be a teacher, just like her mommy. Tony Brown didn't have the nicknames Tonya and Bologine. Steve Reeder became a pool installer. Ted Brunson became an artist. Margaret Pyfrom left all her beauty to next years queen. Lydia Carney hadn't met that Mr. Right. Pam Price didn't always want to help someone. Kaye Cotter forgot how to laugh. Kathy Perkins could hit the volleyball over the net three times in a row. Gene Culver didn't ask to be in the paper every week. Sam Parker wore platform shoes to be taller.

JACKETS ARE FINALLY FINISHED

Melinda Stitches is shown putting the final stitches in the jacket she had to make in Home Economics. It was a harrowing experience for Melinda but it's about over now. Congratulations Melinda!

Don't pollute!**

Good Bye For

The Summer

This is the last edition of the REBEL NEWS until next September. We hope that all of our readers have enjoyed reading this page as much as we have enjoyed putting it together. Lia and I would like to tell all of the people at Zion Chapel and The Elba Clipper thank you for your cooperation. RACHEL BRYAN

Zion Chapel 4-H'ers Participate In Driving Contest

New Brockton was the site of this year's 4-H Automotive Driving Contest. Leslie Hussey, Chris Sanders, Lia Lowery, Jimmie Taylor and Randy Wilson competed. They had to identify parts under the hood, take a written test, and drive through an obstacle course. Lia Lowery placed first in the Girl's Division and Chris Sanders placed third in the Boy's Division.

Chris Sanders, Leslie Hussey, and Kevin Ward competed in the Tractor Driving Contest. They had to back a trailer down an alley and drive an obstacle course. Kevin Ward took first place.

4-H Contest Winners
Lia Lowery, Chris Sanders, and Kevin Ward.

REBEL 79 Editors Elected

The REBEL 78 has returned, distributed, and written all over. It is now time to begin planning for REBEL 79. The first step in this planning is to elect a new leader. Last week Randy Wilson was elected editor of the 1979 yearbook. To assist her with finances, Julie Gregory was elected Business Manager.

Phylis Prescott To Marry Ricky Bowden

Mr. and Mrs. Clarence M. Prescott of Elba announce the engagement and forthcoming marriage of their daughter, Phylis Elaine, to Ricky Durbin Bowden, son of Mr. and Mrs. Charles D. Bowden of Victoria.

The bride-elect is the granddaughter of the late Mr. and Mrs. Henry P. Fallon of Dozier and the late Mr. and Mrs. George P. Prescott of Brantley.

Phylis is a 1976 graduate of Elba High School and has attended Enterprise State Junior College and the University of Alabama.

The groom-elect is the grandson of Mr. and Mrs. Basil Crook of Victoria and Mr.

Miss Frances Fowler and Mr. Donald Franklin Jones will be married on Saturday, the 25th of May, 1978, at 2 o'clock in the afternoon at the Weed Baptist Church. Reception will follow in the fellowship hall. All friends and relatives are invited to attend.

At a recent Awards Assembly at Randolph-Macon Woman's College, a local girl, Beverly Cox, of Elba, received an Art Department award for her senior paper in Art History entitled "Influence on Stained Glass in Modern Architecture".

Miss Cox is the daughter of Mr. and Mrs. Walter W. Cox of 342 N. Court Ave. She graduated from Elba High School.

During her years at Randolph-Macon, she has been a Gold Key Guide, a Student Government delegate, and a member of the College Republicans.

Mack is a 1966 graduate of Elba High School. He received his college degree from the University of Texas in June, 1973.

He is married to the former Nancy Harrison, also of Elba, and they have two sons: Chuck and Jason.

NEWS from your PHARMACIST

By YOUR NAME

If you asked your doctor "Do I have sugar in my blood?" the answer would be yes.

Everyone has sugar in his blood. In diabetes, the patient has too much sugar—2 to 4 or more teaspoons in a glass of water.

As the blood cannot retain so much sugar it passes out of the body through the kidneys.

The diabetic cannot produce enough insulin (the secretion from the pancreas that burns up extra sugar), and must be supplied with this insulin through injections. For the most part, diabetes can live normal and healthy lives through the assistance of modern medicine.

The wonders of modern medicine are man's greatest achievements. Have your prescriptions filled at our store with complete confidence.

Clean the outside of your iron with a damp paper towel and a small amount of toothpaste. Wipe with another damp paper towel. Be sure the iron is cool.

Mrs. Collier Entertains Music Lovers Club

The Music Lovers Club met in the home of Mrs. George L. Collier on Thursday, May 11. Miss Jeanette Garrett and Mrs. Cecil Prescott were co-hostesses. The members were served delicious pound cake, punch and nuts.

Members present were Mrs. K. W. Anderson, Mrs. G. L. Collier, Mrs. Kenneth Strong, Mrs. Edwin Cooper, Mrs. E.M. Warr, Mrs. Lamar Vaughan, Mrs. Lois Holt, Mrs. Price Ringo, Mrs. Nellie Martin, Mrs. Kimmie Ham, Mrs. Lister Brunson, Mrs. Bob Lee, Miss Jeanette Garrett, Mrs. Cecil Prescott, Mrs. Jeff Hill, Mr. and Mrs. John Lowery, Mrs. M. V. Miles and Mrs. Janet King.

Mrs. G. L. Collier presided. The club voted to give \$25 to the band. The membership committee presented the name of Miss Cheryl Cooper as a new member and she was accepted into the club by unanimous vote.

Mrs. Kenneth Strong gave the devotion, portraying the life of John Newton who was the author of the popular sacred song, "Amazing Grace."

Most of Newton's early life was spent as a sailor on a slave ship. He was not only illiterate but was wayward and miserably immoral. He was over thirty when converted, and at the age of 39, after a period of self-education, became pastor of a church in Olney, England. He was pastor at Olney for fifteen years and wrote many hymns. "Amazing Grace" was written. "Amazing Grace" was written. "Amazing Grace" was written.

Mrs. Anderson, the program chairman, presented Mrs. Lister Brunson who gave an excellent program on Italian music. The next meeting will be in September.

A delicious plate of sandwiches, cake, nuts, coffee or punch was served to Rev. Hyles, Theodosia Martin, Kitty Ruth Cole, Dixie Deal, Nellie Martin, Cupidan Crook, Gale Burdick, Catherine Spurlin, Pauline Allen, Mary Carney, Nellie English, Celeste Kelley, Sandra Thornton, Patsy Britt, Joan Wakefield, and Dee Martin by the hostesses, Marie Harden and Merle Whittle.

Rev. Frank Hyles, pastor of St. Luke United Methodist Church of Enterprise, gave a very enlightening and inspiring speech on "Family Life."

Business was conducted by Patsy Britt due to the absence of the president, Helen McCollough. The chapter members chose the girl to receive their annual fifty dollar scholarship to attend Enterprise Junior College. The choice of this girl will be revealed at her graduation.

Gale Burdick was given a food farewell and best wishes since she will be living and teaching in Germany for the next three years.

Representing New Hope Jr. High School, Kim Dress took top honors recently at the Senior Plant and Soil Science Exhibit. Kim's exhibit was entitled "From Bulbs to Beauty" and exhibited how to take a

small bulb and grow beautiful flowers. Kim has been an active member of the New Hope 4-H Club and Fraternity member. She is the daughter of Mr. and Mrs. Melvin Dyess from New Hope.

A Students Are Honored At ESJC

Tommy G. Smith of Elba will graduate with a perfect 4.00 GPA. Tommy is also a nominee for awards in the English and Physical Ed Divisions.

Other honor students are: Fay F. Tindal, Golda Kay Tindal, and Ed McDaniel, all of New Brockton.

Cherrie Clay Graduates Magna Cum Laude

Cherrie Denise Clay, daughter of Dr. and Mrs. James L. Clay, graduated Magna Cum Laude from Vanderbilt University, Nashville, Tennessee, in ceremonies held on May 17.

Cherrie has accepted a position with Electronic Data Systems and will begin work in Boston, Massachusetts, on June 26.

While in school, Cherrie majored in business administration with a minor in computer science. Her extracurricular activities included Alpha Lambda Delta, a freshman honorary society, and Delta Delta Delta social fraternity.

Cherrie is a graduate of Brantley High School and received her B.S. degree in elementary education from Troy State University. She is presently employed by Clayton County Board of Education.

W. Stude is the grandson of the late Mr. and Mrs. Adrian Cross of Lebanon, Indiana and the late Mr. and Mrs. Blaine Stude of Smiths-grove, Kentucky.

He is a graduate of Jonesboro Senior High School and is presently employed by Engineered Concepts, Inc. of Atlanta, Ga.

The wedding is to be July 15 at four thirty o'clock in the afternoon at Philadelphia Presbyterian Church in Forest Park, Ga. All friends and relatives of the couple are invited to attend.

Representing New Hope Jr. High School, Kim Dress took top honors recently at the Senior Plant and Soil Science Exhibit. Kim's exhibit was entitled "From Bulbs to Beauty" and exhibited how to take a

small bulb and grow beautiful flowers. Kim has been an active member of the New Hope 4-H Club and Fraternity member. She is the daughter of Mr. and Mrs. Melvin Dyess from New Hope.

Mrs. Mervie Helms Selected Mother Of Year

Mrs. Mervie Helms, 72, was selected Mother of the Year at Mother's Day services at Bethany Baptist Church on Rt. 1, New Brockton.

Mrs. Helms is the mother of two sons, two daughters and the grandmother of eleven grandchildren.

She received a beautifully framed plaque, a double-rod corsage, a certificate of recognition and will wear the beautiful tiara crown until she crowns the new mother of the year in 1979.

Mrs. Helms has been a faithful member of Bethany for most of her life.

The church's music director, Miss Cindy Crosby, in response, "Mom, I Love You."

During the Mother's Day service at Bethany, 68 mothers were recognized and awarded praying hands pins.

SPORTS

Views From The Pressbox

By Ricky Mulara, Sports Editor

The school year is quickly drawing to a close and tonight the athletes at Elba High will be honored at an "All-Sports Banquet." Looking back, I guess you could say it was a rebuilding year at Elba.

The football team, under the guidance of Coach Mack Wood, played competitive ball and posted a 6-4 record. The Tigers played a very tough schedule, but held their own with every team they played, and created a winning attitude at E.H.S. Coach Wood speaks of building a championship athletic program in Elba, and his positive thinking provides hope for Tiger fans.

Coach Mance Daughtry's basketball team got off to a slow start, but at season's end had developed into a high-scoring offensive machine. The Tiger roundballers claimed several big wins during the season despite a lineup that had only two players over six feet tall. The basketball program at Elba has always been solid, and even though they posted a losing chart last season, they never quit and always fought until the final horn.

Coach John Frank Hudson headed the Elba High baseball program, and the '78 squad began moving toward respectability. Coach Hudson had a young team that showed improvement as the season progressed, and I think next year could be the year the Tiger baseballers post a winning season.

An overlooked sport at Elba High is golf, but Coach Dale Crow's linksters continued to be big winners during the past season. The Tiger golfers placed second in the S.A.C. ahead of Andalusia and Troy, and could have easily won the conference title. Golf is a competitive game and the Elba High golfers proved they can compete with anyone.

The only sore spot among athletes at Elba High was the glaring lack of sports for women. The girls at E.H.S. have quite a bit of athletic ability, but are not offered a single sport at which to compete. Local schools field girls teams in basketball, volleyball and softball, but none of these activities are offered at Elba High. Maybe at next year's banquet the female athletes will also be honored!

The rains continue to cause havoc with the local softball leagues. The men's league was supposed to make up a rained-out game on Monday night, but it too was rained out. Oh, well, like they say, "We've got all summer!"

I've quit fussing about the need for a fence at the field at Mulberry Heights, because I've been told that orders have been given for the fence to be put up. By the way, I was told that over two weeks ago!

The Hospital's softball team journeyed to Panama City last weekend to compete in a softball tournament, thinking the tourney was only for small teams. They found out, however, that some of the top teams in the south were entered! The team lost two straight games, but carried the powerful Buddy's Sporting Goods team from Tallahassee 7 innings before falling.

I'm sure the Hospital players had a great time!

In closing, there will be a softball tournament in Elba this weekend and you should come out and watch. See ya there

Hollis Resigns Baseball Post At Troy State

Joe Hollis, head baseball coach and assistant basketball coach at Troy State University, resigned his position with the university Friday. In accepting the resignation, Athletic Director Robert Stewart said a search for a new baseball coach would begin immediately and he would accept written applications for the vacancy.

"Joe has done an outstanding job at Troy State," Stewart said. "Joe is a very dedicated individual."

Hollis coached the Trojans to a 35-18 record and a runner-up spot in this year's NCAA Division II South Central Region Tournament. His five-year baseball record is 106-72.

Elba Softball Classic Set For June 16-17

The Elba Recreation Dept. has announced that it will sponsor "The Elba Softball Classic" on Friday and Saturday, June 16-17, on the City's two softball fields.

The tournament will be a 16-team, double-elimination event, and will be A.S.A. sanctioned.

A beautiful 66-inch trophy will be presented to the winning team by The Elba Clipper.

per, and trophies will also be awarded to 2nd, 3rd and 4th place teams. 15 "All-Tournament" trophies will be awarded to the tourney's top players.

Entry fee for the tourney is \$80 plus one new ball per game, and entry fees may be mailed to: The Elba Softball Classic, Drawer A, Elba, AL 36323.

Southeastern Mud-O-Rama Held May 14 Near Opp

by JIM PHILLIPS

It was "Truck Eat Truck" and "Truck Eat Truck" on Sunday afternoon, May 14, at the second running this year of the Southeastern Mud-O-Rama held at the track just off Highway 331, five miles north of Opp.

The race is one of four held each month throughout the southern part of Alabama during the spring and summer, and each track is as unique as the fast growing sport is exciting. The Mud-O-Rama held at Opp is sponsored by the Southeastern Off-Road Center in Troy, and the Alabama Off-Road Racing Association. The A.O.R.R.A. was formed in the early part of this year by a group of Four - Wheel Centers throughout the state and Off-Road racing enthusiasts. There are four sanctioned tracks in the state at this time and each one hosts races one Sunday of each month. The Mud-O-Rama in Opp holds it's races on the second Sunday of each month, with gates opening at 10:30 a.m., registration of vehicles from 10:30 to 12:30, and races starting at 1:30 p.m.

There was a good turnout of spectators for the recent races as almost 1000 fans came out to watch the trucks, jeeps and other types of 4-Wheel drive vehicles fight large water-holes, deep, slick mud, sharp turns and "whoop - see - do's!"

About 50 vehicles and drivers registered to race in the different classes and they all put forth maximum effort to be the fastest one around the one-mile track.

Each driver seemed to push himself and his vehicle to the limit, giving the spectators plenty of thrills during the entire afternoon. It was a common sight to see the "4 x 4's" leaning on two wheels while coming around the tight turns and some even got airborne when they came over the whoop - see - do's! The many waterholes on the track

proved how tough they could be on trucks as many vehicles had to be towed out of the marshy menace. In mud-racing the water proofing of the engine is a fine art and a must to ever make it around the track. On the long straight-away of the track there was a long, deep waterhole that could only be described as a "killer." At places the water stood four-feet deep and near the end of the pit was a deep hole that stopped several trucks deep in their tracks.

The "Bad Luck of the Day" award would have to go to Virgil Childree of Crestview, Florida. As Virgil was making a fantastic run around the track disaster struck! As he came out of a deep waterhole on the hill top and over a whoop - see - doo, Virgil's vehicle became airborne and he lost control of the Chevy pickup. The truck came down on it's side and rolled over on it's

top but sustained only minor damage. Both Virgil and his co-driver came out of the mishap uninjured thanks to the roll bar and other safety equipment used by all racers. Bo Bonds, the Town Fish, showed his stuff again as he burned the track up and finished as the day's "top eliminator." Bo drives a highly modified Ford Bronco with a small block V-8 engine. One of the top thrills of the day was to see Bonds, also called "The Alabama Wildman," drive his little red and yellow Bronco wide-open around the track.

The day was enjoyable for everyone who attended, and entertainment was provided by Roger Booth and the Lower 40 Grass.

Listed below are the results of each class and the top three finishers.

Stock - 4 Cylinder
1. John Russel - 2:12.4 (Jeep)

2. Mack Taylor - 2:14.5 (Jeep)
3. George Taylor - 2:21.0
Stock - 6 Cylinder
1. Dwight Spivey - 2:01.0 (Jeep)

Coach Mance Daughtry's basketball team got off to a slow start, but at season's end had developed into a high-scoring offensive machine. The Tiger roundballers claimed several big wins during the season despite a lineup that had only two players over six feet tall. The basketball program at Elba has always been solid, and even though they posted a losing chart last season, they never quit and always fought until the final horn.

Coach John Frank Hudson headed the Elba High baseball program, and the '78 squad began moving toward respectability. Coach Hudson had a young team that showed improvement as the season progressed, and I think next year could be the year the Tiger baseballers post a winning season.

An overlooked sport at Elba High is golf, but Coach Dale Crowe's linksters continued to be big winners during the past season. The Tiger golfers placed second in the S.A.C. ahead of Andalusia and Troy, and could have easily won the conference title. Golf is a competitive game and the Elba High golfers proved they can compete with anyone.

The only score spot among athletics at Elba High was the glaring lack of sports for women. The girls at E.H.S. have quite a bit of athletic ability, but are not offered a single sport at which to compete. Local schools field girls teams in basketball, volleyball and softball, but none of these activities are offered at Elba High. Maybe at next year's banquet the female athletes will also be honored!

The rains continue to cause havoc with the local softball leagues. The men's league was supposed to make up a rained-out game on Monday night, but it too was rained out. Oh, well, like they say, "We've got all summer!"

I've quit fussing about the need for a fence at the field at Mulberry Heights, because I've been told that orders have been given for the fence to be put up. By the way, Lyons told that over two weeks ago!

The Hospital's softball team journeyed to Panama City last weekend to compete in a softball tournament, thinking the tourney was only for small teams. They found out, however, that some of the top teams in the south were entered. The team lost two straight games, but carried the powerful Buddy's Sporting Goods team from Tallahassee 7 innings before falling.

I'm sure the Hospital players had a great time! In closing, there will be a softball tournament in Elba this weekend and you should come out and watch. See ya there.....

Hollis Resigns Baseball Post At Troy State

Joe Hollis, head baseball coach and assistant basketball coach at Troy State University, resigned his position with the university Friday. In accepting the resignation, Athletic Director Robert Stewart said a search for a new baseball coach would begin immediately and he would accept written applications for the vacancy.

"Joe has done an outstanding job at Troy State," Stewart said. "Joe is a very dedicated individual."

Hollis coached the Trojans to a 33-18 record and a runner-up spot in this year's NCAA Division II South Central Region Tournament. His five-year baseball record is 106-72.

Elba Softball Classic Set For June 16-17

The Elba Recreation Dept. has announced that it will sponsor "The Elba Softball Classic" on Friday and Saturday, June 16-17, on the City's two softball fields.

The tournament will be a 16-team, double-elimination event, and will be A.S.A. sanctioned. A beautiful 66-inch trophy will be presented to the winning team by The Elba Clipper.

per, and trophies will also be awarded to 2nd, 3rd and 4th place teams. All Tournament trophies will be awarded to the tourney's top players.

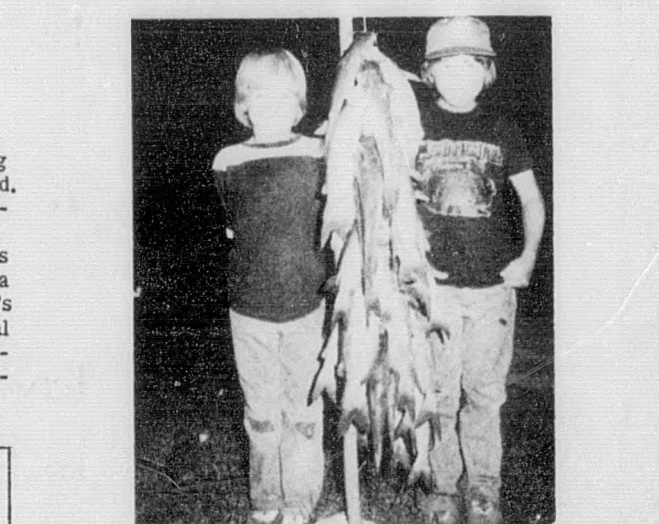

Entry fee for the tourney is \$60 plus one new ball per game, and entry fees may be mailed to: The Elba Softball Classic, Drawer A, Elba, AL 36523. Enter Now!

Ronnie Jurigot caught these 60 fish at Morrill's Mill Pond.

Russ Cash holds 3 bass he caught - at the County pond. The fish weighed a total of 11 pounds, while the big one tipped the scales at 8 1/2 pounds.

Chris Smith and Phillip Sakes hold 20 pounds of catfish they caught at a private pond. Picture compliments of The Elba Bait Shop.

Rusty Beck and Kim Blackmon with a snake they killed last Friday. Rusty reported he saw the snake while driving down the road and stopped the car and killed the snake.

Southeastern Mud-O-Rama Held May 14 Near Opp

by JIM PHILLIPS

It was "Truck Eat Truck" and "Truck Eat Truck" on Sunday afternoon, May 14, at the second running this year of the Southeastern Mud-O-Rama held at the track just off Highway 331, five miles north of Opp.

The race is one of four held each month throughout the southern part of Alabama during the spring and summer, and each track is as unique as the fast growing sport is exciting.

The Mud-O-Rama held at Opp is sponsored by the Southeastern Off-Road Center in Troy, and the Alabama Off-Road Racing Association.

The A.O.R.R.A. was formed in the early part of this year by a group of Four - Wheel Centers throughout the state and Off-Road racing enthusiasts. There are four sanctioned tracks in the state at this time and each one hosts races one Sunday of each month. The Mud-O-Rama in Opp holds its races on the second Sunday of each month, with gates opening at 10:30 a.m., registration of vehicles from 10:30 to 12:30, and races starting at 1:30 p.m.

There was a good turnout of spectators for the recent races as almost 1000 fans came out to watch the trucks, jeeps and other types of 4-wheel drive vehicles fight large water-holes, deep, slick mud, sharp turns and "whoop-see-dos!"

About 50 vehicles and drivers registered to race in the different classes and they all put forth maximum effort to be the fastest one around the one-mile track.

Each driver seemed to push himself and his vehicle to the limit, giving the spectators plenty of thrills during the entire afternoon. It was a common sight to see the "4 x 4's" leaning on two wheels while coming around the tight turns and some even got airborne when they came over the whoop-see-dos!

The day was enjoyable for everyone who attended, and entertainment was provided by Roger Booth and the Lower 40 Grass.

Listed below are the results of each class and the top three finishers.

Preparation For GED Tests Set For June

Preparation for the GED Tests, a course for those who would like to prepare for the General Education Development Tests and earn their high school equivalency certificate, is scheduled from 5:30 to 8:30 p.m. Tuesdays and Thursdays beginning June 6, 1978, at the Elba Public Library at Elba. The course, offered by Enterprise State Junior College, is available at no charge to anyone who did not complete high school and otherwise qualifies. However, students must purchase a text for approximately \$6.

Mrs. Lucy Brueckner, Elba Coordinator for ESJC, said the course will continue through July 27 with no meetings on July 4 and 6.

"I hope those in our area who need the High School Equivalency Certificate to get a better job or move up on their present job will enroll," Mrs. Brueckner said.

Anyone desiring additional information should call Mrs. Brueckner at 897-5070 or the junior college at 347-0650.

Congratulations Grads

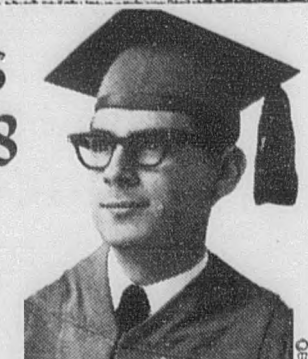

It's that time again! Time to congratulate our grads for the fine work they've done. Good luck!

YE OLD HICKORY PIT

CLASS OF 1978

They're tops! And all our grads are headed in the direction of great success!
